## **DONATE YOUR MARATHON**

Competing in the Geneva Marathon or another race? Ask your supporters to donate to ESCA CancerSupport.

## **HOST A SPORTS TOURNAMENT**

Gather your friends who all enjoy the same sport like golf, football, darts, dancing, tennis, or any others. Everyone pays an entry fee and the loser pays a penalty! Invite more friends to cheer you on and donate too.

## **BEAT YOUR OWN FITNESS GOALS**

Set a goal to walk 30,000 steps in one day or run a marathon on your own. Whatever your personal best is, try to step it up! Tell friends and family about your goal, take some photos or track your route, and ask for donations once you've beat the goal!

## **GET CRAFTY**

Bake, crochet, paint, or design something! Get together with others to make or mend for a common cause such as a shelter or parents in poverty. Ask for a participation fee. Or sell your creations online or in person and remind customers that all profits support a good cause.

## **INVOLVE YOUR PET**

Do you have a good-looking dog? Or do they make the silliest faces? Set up a doggy fashion photoshoot or make a silly video. Post on social media and ask for donations! (Applies to other pets too.)

## **HOST A SCAVENGER HUNT**

A great option for team building! Make a list of items to collect or photograph around your area. Ask for a participation fee. Can be done in person or virtually.

## **DO A RELAY WITH FRIENDS**

Gather a few friends and set a route to walk or run. Decide who will go 1st, 2nd, 3rd etc. For extra fun, pass a baton from one person to the next (it can be any item). Complete the event in one day and post it on social media.

## **DO AN UNUSUAL CHALLENGE**

Such as...

- Walk backwards for a day (carefully!)
- Map a route in the shape of a cancer ribbon
- Complete 7 peaks in 7 days
- Visit every park in your city

Document your progress and share on social media, messaging systems, or email while asking for donations
